ENGLISH

UKRAINIAN / RUSSIAN

WORK EXPERIENCE

Real Visual Solution Inc. | 5 Months

At this time I'm working like iOS developer by a full cycle of application production, from design some parts in Figma, to final publishing in AppStore. I'm using lots of technologies, like **CoreData**, **Notifications**, design & implementing **Widgets**, design and work with **StoreKit** (subscriptions), and some marketing tools like Amplitude, Facebook, AppsFlyer etc.

Freelance | Jan. 2020 - Feb. 2021

During this period I'm working like freelance iOS developer by self employed, and like part of a different mobile development teams. Work on messaging app, money management app, mobile games, app for health care, life style, fitness and other kind of app.
